

CLEARING RIGHTS for Film and TV

April 13 - 17, 2016 in Berlin

Scripts based on real stories, a Warhol poster in the background of a scene, and a protagonist humming a Robbie Williams song - not all third party content contained in a script or a film is that obvious. Only a detailed analysis can avoid cost-intensive pitfalls.

Rights clearance is becoming increasingly important, both nationally and internationally.

BENEFITS

- > Identify and clear rights fast and effectively
- > High-profile case studies and best practices
- > Unique access to specialists from HBO, NBC Universal and Zentropa
- > Exciting case studies include: THE COMMUNE, BORAT, ITALIAN FOR BEGINNERS

TOPICS

Turning real life into film – the HBO example
Locations – more than just a shooting permit?
Music in films and documentaries
Dealing with trademarks and artwork in film and TV – legally and creatively
Clearing rights for documentaries
Best practice lessons: Rights clearance strategies at HBO, NBC Universal, Zentropa
The role of E & O insurances
