KELNARIČ AVGUST, TRAGIČNO ZASUT STUDENČNI POMOČNIK

HOME | EXPLORE | SIMBOLI USODE NA POKOPALIŠČU POBREŽJE | KELNARIČ AVGUST, TRAGIČNO ZASUT STUDENČNI POMOČNIK

Skulptura na grobu simbolizira mladega moškega, ki s potezami razkriva osebo, **ujeto v smrtni bolečini**. Lopata v njegovi desnici in obod studenca pod njim sta simbola poklica tukaj pokopanega **studenčnega pomočnika** Avgusta Kelnariča, zanj žal usodna.

Kopanje lastnih vodnjakov v časih, ko je bilo to še dovoljeno, se je v Mariboru nekajkrat **tragično končalo**. Leta **1900** je v Cankarjevi ulici na Pobrežju pri kopanju vodnjaka usodno **zasulo dva moška**. Devet let **kasneje** je bil v isti ulici do smrti zasut **še en** kopalca. Leta **1929** je v 2 m globokem novem vodnjaku zasulo **eno osebo** v ulici Ob gozdu, nedaleč v stran od že omenjene Cankarjeve ulice.

Tretja smrtna nesreča kopalca v tej ulici je še dolgo **odmevala med meščani in daleč naokrog**. V nedeljo zjutraj, dne **14. aprila 1935**, je tam kopal vodnjak **27 letni** Avgust Kelnarič, studenčni pomočnik iz okolice Maribora. Ko je **na dnu** vodnjaka odstranjeval ogrodje, se je nanj **vsula mešanica betona in proda**. Nesrečneža je **zasulo do vratu**. »O nesreči so bili **takoj obveščeni požarniki in reševalci s Pobrežja, Studencev, Teznega in Maribora**, ki so tako prispeli na kraj nesreče in pričeli z reševalnimi deli«. Nekako deset metrov od vodnjaka so pričeli kopati meter širok kanal v globino osmih metrov. Ko so bili od ponesrečenca še kaka 2 metra, se je **zemlja vnovič zrušila**. Ponovno odkopavanje je bilo težavnejše in tako so reševalna dela trajala **do 3. ure zjutraj a brez**

ČERNIGOJ MILAN, ARCHITECT

HOME | EXPLORE | PROFESSIONAL SYMBOLS AT POBREŽJE CEMETERY | ČERNIGOJ MILAN, ARCHITECT

Urn and pillar, female and male symbol, are the work of here buried architect, who played an important role in shaping of post-war Maribor. They symbolize the elements involved in the architectural design of public buildings, public areas and industrial buildings of the former giants of the Maribor industry, which architect designed.

Milan Černigoj, born in Tolmin and later a graduate of the Faculty of Architecture of Ljubljana, settled in Maribor in year 1936. His mentor and teacher, the famous architect Jože Plečnik was a sufficient reference for the twenty-four years old Milan, so he got a job in the architectural firm Dev.

His career was interrupted by World war II. In year 1944. he was
