# Participant Portal

Register an Organisation

<http://ec.europa.eu/education/participants/portal/desktop/en/organisations/register.html>

To participate in proposals and projects, you must register your organisation first.

After registration, a unique identifier is assigned to your organisation

This is the 9-digit **PIC (Participant Identification Code) number** that will be used as a reference by the Commission in any future interactions. A **single registration** is required for each organisation in the system.

**Please keep the legal data of the organisation and programme related information at hand.** You can check the information you will need for the registration in the documentation of the call for proposals. Please note that you have to register your organisation before submitting a project application.

**You can pause the registration process at any time and continue it later.** The system automatically saves your draft registration and will keep it until you complete it or for up to one year after its last edit.

## Application for funding: partner list management and application eForm creation

**IMPORTANT POINTS TO NOTE BEFORE YOU START****PIC numbers**

In order for an organisation to be included as a participant in a funding application, it must first have been registered in EACEA's Participant Portal and been allocated a unique Participant Identification Code (PIC). If an organisation does not have a PIC number, it will not be possible to include it in an application.

Organisations can obtain their PIC number by registering in EACEA's Participant Portal. Click [here](#) to be directed to the Participant Portal.

**Organisation profile**

Some actions require a minimum number of participating organisations in order for the application to be considered eligible. Likewise, some actions require there to be representation from specific countries for the application to be considered eligible. Please carefully check if any such rules apply to the funding opportunity you are applying under. If such rules do apply, you must respect those rules when building your list of participating organisations. If you have not respected the rules, you will receive an error message when the application eForm is created and you will have to start the entire process again.

**One uninterrupted session**

When you proceed with either of the options below, you must complete all of the steps involved in one continuous session. Once you have clicked on one of the buttons, it is not possible to interrupt the activity and resume it at a later time. All the steps mentioned below must be carried out in one go. If you close the browser window in which you are working or if you close the browser entirely, you will lose the data you have entered and will have to start again. Please therefore ensure you have all necessary PIC numbers AND have checked the rules for the organisation profile BEFORE YOU PROCEED.

**ECAS authentication**

Access to the options below you is authenticated by ECAS, the European Commission's Authentication Service. Applicants must therefore have an ECAS account. If you do not yet have an ECAS account, click [here](#) to be directed to the ECAS website where you can create your account including an ECAS login username and password. After creating your account, please return to this webpage in order to continue with your chosen option.

**Create a new application eForm**

You will be required to complete the following steps in one session once you have clicked on the button below:

- Select the funding opportunity you are applying under.
- Select the language version of the application eForm.
- Select the organisation(s) participating in your funding application and build your list of participating organisations.
- Create the application eForm.
- Save the application eForm to your local computer or network drive.

[Create new application eForm](#)**Revise your list of participating organisations and incorporate it in your existing application eForm**

If you have already created an application eForm but need to update it because of the inclusion of additional organisations or because an organisation's details have changed, please use the button below.

Once you click on the button, you will be required to complete the following steps in one session:

- Upload your existing application eForm.
- Make the necessary revisions to your list of participating organisations.
- Create the updated version of your application eForm bearing your revised list of participating organisations.
- Save the updated application eForm to your local computer or network drive.

→ Pri pravilih amortizacije je potrebno upoštevati nacionalna računovodska pravila organizacije.

Primer: osebni računalnik v Sloveniji → 50% letna amortizacija (se obračuna v obdobju 2 let)

# UPRAVIČENI STROŠKI- tretje države max 30%

Za aktivnosti, povezane s „tretjimi državami“ (npr. stroški, povezani s fizičnimi osebami ali organizacijami iz teh držav ter aktivnostmi, ki potekajo v tretji državi), velja, da so upravičene:

# UPRAVIČENI STROŠKI- podizvajanje

**Stroški za aktivnosti, ki jih direktno ne izvaja prijavitelj.  
Podizvajanje lahko zadeva dobavo blaga, del ali storitev.**

**Strošek podizvajanja je upravičen strošek, če:**

- je omejen le na del (podpornih) aktivnosti;
- je smiseln glede na naravo aktivnosti in nujen za njeno izvedbo;
- je jasno **NAVEDEN V PRIJAVNICI**, sicer pa je nujna predhodna **PISNA ODOBRITEV s strani EACEA**

V primeru, da strošek podizvajanja presega 60.000 € → javno naročilo (tendering procedure) / dokumentacija je obvezna priloga k končnemu poročilu;
