AT Musicville – the Green European Opera – ist eine künstlerische Antwort auf die konkrete Zeit, in der wir leben. Es ist eine Zeit, in der wir uns mehr denn je bewusst sind, dass wir Dinge schaffen und unterstützen, die das Leben künftiger Generationen beeinflussen. Nach 24 Monaten der Zusammenarbeit zwischen den Künstler*innen und ihren Mentor*innen entstand „A Story of Being“ mit einer Produktion an drei ländlichen Orten in Slowenien, Österreich und Kroatien.

SI Musicville – Zelena evropska opera – je umetniški odziv na sedanji trenutek, ko se bolj kot kdaj koli prej zavedamo, da ustvarjamo in podpiramo stvari, ki bodo vplivale na življenja prihodnjih generacij. Po 24 mesecih sodelovanja med umetniki in njihovimi mentorji se je rodila „Zgodba o bivanju“, ki je bila uprizorjena na treh podeželskih lokacijah v Sloveniji, Avstriji in na Hrvaškem.

CRO Musicville – Zelena Evropska Opera – je umjetnički odgovor trenutačnom momentu, vremenu kad smo svjesniji no ikada činjenice da stvaramo i podupiremo ciljeve koji imaju utjecah na život budućih generacija. Nakon 24 mjeseca kolaboracije između umjetnika i njihovih mentora nastala je “Priča postojanja”, producirana na tri ruralne lokacije u Sloveniji, Austriji i Hrvatskoj.

EN Musicville—the Green European Opera—is an artistic response to the present moment, a time when we are more aware than ever that we are creating and supporting causes that will affect the lives of future generations. After 24 months of collaboration between the artists and their mentors, “A Story of Being” was born, with a production in three rural locations in Slovenia, Austria and Croatia.
