Aims and activities of the organisation	<p>Dobrumba Kft is a Budapest-based company that operates three unique restaurants: Dobrumba, Pingrumba, and Marumba. Our establishments are inspired by our extensive travels and the diverse culinary traditions we encountered.</p> <p>Dobrumba - https://dobrumba.hu/en Dobrumba is located in Budapest's vibrant seventh district. Our cuisine is a fusion of Middle Eastern, Mediterranean, and Caucasian flavors, with influences from Spanish, Italian, Portuguese, Moroccan, Israeli, Lebanese, Georgian, Armenian, and Turkish culinary traditions. We pride ourselves on our curated wine list and our modern, thoughtful space that brings a taste of regions from the Atlas Mountains to Ararat, and from the Bosphorus to Gibraltar.</p> <p>Pingrumba - https://pingrumba.hu/en Pingrumba, located in Buda, takes our culinary journey even further east. Beyond the familiar Mediterranean dishes, we explore the flavors of ancient Persia, the wild steppes of West Asia, and the vibrant spices of India. Our aim is not only to offer these flavors but to create an atmosphere where guests feel like they are dining at a distant friend's house, enjoying a warm and inviting dinner party.</p> <p>Marumba - https://marumba.hu/en/ Marumba represents our return to the roots of Carpathian Basin gastronomy. Our chef, Oliver Heiszler, brings to life the rich and diverse culinary heritage of the region, including Hungarian, Slovakian, Transylvanian, Slovenian, Czech, and Serbian dishes. Marumba is more than just a restaurant; it's an "eatery" where honesty and a touch of sarcasm define our approach. We use modern kitchen technologies to provide a homely and welcoming dining experience for lunch and dinner.</p> <p>Our Vision and Objectives At Dobrumba Kft, we are committed to fostering cultural exchange and culinary innovation. Our restaurants serve as cultural hubs where diverse traditions meet and thrive. We aim</p>

	to participate in the Creative Europe programme to further our mission of cultural connectivity and culinary exploration. By joining a consortium, we seek to collaborate on projects that promote cultural heritage, innovative gastronomy, and cross-cultural understanding.
