Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>contemporary circus arts, contemporary circus festivals</i>
Description or summary of the proposed project	Our proposed collaboration project continues our mission of establishing a contemporary circus platform for touring, promotion, professionalisation and audience development in the Central-Eastern European region. We want to develop a tight network of regional artistic groups, producers, festivals, urban and rural venues to promote contemporary circus arts and bring it to new audiences. The project aims to target the lack of establishment of new circus in our region, western talent drain, and lack of sustainable partnerships and provide local opportunities for artists and cultural professionals working in the semi-peripheries of Europe. The project aspires to connect and co-finance festivals, residency programs, offer creation support and mentoring provide opportunities for aspiring producers and managers in the field of circus arts.
Partners currently involved in the project
