For Creative Europe project applications

Call	Creative Europe – Culture strand (European Cooperation Projects)
Strand or category	European Cooperation Projects

Cultural operator – who are you?

Name of organisation	Community and Cultural Center of Székesfehérvár
Country	Hungary, Székesfehérvár
Organisation website	https://fehervariprogram.hu/
Contact person	Zsófia Juhász Email: zsofiajuhaszzsofia@gmail.com Mobile: +36 70 682 0230
Organisation type	Public cultural institution/ Municipality-owned cultural institution
Scale of the organization	Medium-sized organisation
PIC number	865600841
Aims and activities of the organisation	Székesfehérvár has consciously preserved its decentralized, district-based network model: a central institution + 10 locations, supplemented by other community spaces and venues maintained by the city. The goal is not to build a "big glass palace" type of center, rather to modernize and expand the functions of the local network in order to strengthen cultural access and equality at the district level. The Community and Cultural Center of Székesfehérvár is a municipal cultural institution responsible for providing community culture services in the city. Our activities focus on: - community-based cultural development - strengthening local communities at neighbourhood level - supporting cultural participation and access to culture - lifelong learning in community spaces - cooperation with civil organisations, educational institutions and local stakeholders
Role of the organisation in the project	Project partner

Previous EU grants received	The director of the institution and the staff member responsible for international cooperation have previously participated in several direct and nationally financed EU projects at other organizations, where they have performed project management tasks and been directly involved in the preparation and submission of applications.

Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	- Community culture - Community development - Cultural participation - Lifelong learning in cultural institutions
Description or summary of the proposed project	The goal is to participate in an international project that: - supports the renewal of community spaces in neighborhoods (decentralized model) - strengthens community access and participation, with a special focus on disadvantaged groups and those facing barriers to cultural access - contributes to the local, community dimension of lifelong learning, - develops a training program (community-based cultural facilitation/community development skills) that can be adapted in partner countries, based on international methodological development and joint learning, - produces tangible, adaptable outputs. - It prefers digital solutions, but these only complement, not replace, personal community work. .
Partners currently involved in the project	We do not currently have a partner, but we are working on developing a partnership.

Partners searched – which type of partner are you looking for?

From country or region	Creative Europe countries
Preferred field of expertise	- Community cultural development, - cultural participation, - community cultural services. - lifelong learning,
Please get in contact no later than	30 October 2026

Projects searched – are you interested in participating in other EU projects as a partner?

Yes / no	Yes
Which kind of projects are you looking for?	We are searching for projects that focus on community-based cultural services, strengthening cultural participation, community development, lifelong learning in a cultural context, and developing innovative operating models for decentralized cultural networks and local cultural centers. Particular attention will be given to projects that support capacity building, knowledge sharing, and the methodological development of community cultural work.
